Design Experiences

IDP Singapore

Senior Creative Designer | Sept 2021 - Present

- Lead designer for both IDP Student Placement and IELTS brands across digital, print, and video
- Ensuring brand consistency across all channels while evolving design language to meet market trends
- Localized global assets to ensure cultural relevance and audience resonance while maintaining brand integrity
- Strong cross-functional and cross-regional collaborator; partnered with SEA regional marketing to localize campaigns for the Singapore market
- Proven track-record to drive brand engagement and lead generation
- Designed campaigns for education fairs, increasing event engagement and footfall - 50% increase in registration, 80% event engagement
- Assisted marketing to support lead generation campaigns — contributed to award-winning outcomes

Creative Designer | Sept 2017 - Aug 2021

- Developed web banners and digital ads for regional marketing campaigns.
- Captured and edited social media content during live events
- Supported branding and experiential design during office relocations and renovations
- Worked on diverse projects ranging from storytelling content to informative IELTS materials
